Specialization in econometrics, time series analysis and forecasting, and quantitative methods GPA: 3.88/4.00

Bachelor's degree in accounting — Tecnologico de Ciudad Juarez, Mexico Graduated: Jul 2002

WORK EXPERIENCE

Home Investment Coordinator – Indigo Group Construction – El Paso, Texas 2022 – 2024

- Sourced and purchased construction materials by comparing suppliers on quality and price, too keep project costs under control while maintaining construction standards.
- Coordinated material deliveries and processed payments to suppliers and contractors, to keep job sites supplied and vendor relationships in good standing, avoiding work stoppage and delays.
- Managed utility setup for properties (gas, water, electricity, and waste services) with local providers and agencies, so homes were ready for occupancy or sale without administrative delays.
- Supervised on-site construction progress to verify that work matched plans, budgets, and timelines, ensuring quality and timely project completion.

Homemaker – Career Break – El Paso, Texas 2004 – 2022

- Took a hiatus from professional role to take care of family, ensuring adequate time was taken before moving forward into the next professional path

Head of Audit Department — Garza y Asociados — Ciudad Juárez, Chihuahua 2001 – 2004

- Led and managed a team of four accountants with operational and tax audits on behalf of the firm's four largest clients, maintaining accurate analysis and management of crucial fiscal responsibilities
- Managed full-cycle tax refund claims for corporate clients, successfully delivering at least 10% of refunds to multi-million-dollar clients in a timely manner
- Conducted audit of the audit teams process by overseeing tax compliance and quality control, meticulously reviewing all records to reduce mistakes and prevent any alerts from the SAT
- Identified recurring discrepancies in client tax records and designed a standardized review checklist for the team, reducing correction time and strengthening compliance with SAT requirements

SKILLS

- Software and tools: R, Python, Stata, Microsoft (Advance Excel, Word)
- Languages: Spanish (native), English (advanced)
